Present Appointment

Consultant ENT / Thyroid surgeon at Manchester University Foundation Trust

Clinical Experience

Jonathan is a substantive NHS ENT / Thyroid surgeon working at Wythenshawe Hospital. He is the lead thyroid surgeon for ENT for the Trust and runs the weekly neck lump clinic. Jonathan sees a full range of paediatric and adult patients including benign and malignant cases. He regularly attends multidisciplinary meetings at the Christie Hospital and scrutinises his outcomes using National outcome audits and databases. He has performed

over 5,000 operations. Jonathan also sees patients privately at the Spire Hospitals in Manchester and Cheshire

Jonathan trained in London (Royal Free Hospital, St Mary's, Great Ormond Street and the Royal National Throat, Nose and Ear Hospitals) prior to taking up a registrar rotation in the North West. In 2010 he spent a year on a fellowship at Flinders Medical Centre in Adelaide, Australia specialising in rhinology and snoring surgery. He was appointed consultant at Warrington Hospital in 2011 where he continued to work for two years.

Research Experience

Jonathan has over 40 publications in peer-reviewed journals including a Cochrane systemic review on the use of masking devices in tinnitus. He is up to date with Good Clinical Practice guidelines, has received thousands of pounds in research grants and has taken part in randomised control trials.

Management Experience

Jonathan was the divisional governance lead at Warrington Hospital and at Wythenshawe between 2013 and 2018 was the Clinical Director for specialist surgery; overseeing a directorate of 300 colleagues with a budget in excess of £30m. Jonathan is currently the clinical director for operating theatres at Wythenshawe, Trafford, Withington and Altrincham Hospitals.

Medicolegal Experience

Jonathan has been providing medicolegal reports to the Court since 2013.

Feedback

Jonathan appreciates the requirements of solicitors, in particular the timescales for civil litigation. He is flexible and responsive and has had good feedback from solicitors and counsel:

“Thank you for this excellent report, which is very helpful.”

“His reports are always of a very high quality and we find that we can rely on the opinions he gives. Jonathan is always willing to discuss any tricky medico-legal issues and provides useful advice when asked. Any barristers that have seen his reports have been complimentary about the standard of report.”
